

MOBILE PHONES – STUDENT USE

PURPOSE

To explain to our school community the Department's and Echuca Twin Rivers School's (ETRS) policy requirements and expectations relating to students using mobile phones and cellular devices during school hours.

SCOPE

This policy applies to:

1. All students at Echuca Twin Rivers School and,
2. Students' personal mobile phones and cellular devices brought onto school premises during school hours, including recess, lunchtime and before and after school whilst on school grounds.

DEFINITIONS

A mobile phone is a telephone with access to a cellular (telecommunication) system, with or without a physical connection to a network.

A cellular device is a device e.g. iPad, Apple watch with access to a cellular (telecommunication) system, with or without a physical connection to a network.

POLICY

Echuca Twin Rivers School understands that students may bring a personal mobile phone to school, particularly if they are travelling independently to and from school.

At ETRS:

- Students who choose to bring mobile phones to school must have them switched off and securely stored during school hours
- Exceptions to this policy may be applied if certain conditions are met (see below for further information)
- When emergencies occur, parents or carers should reach their child by calling the school's office.

Personal mobile phone use

In accordance with the Department's [Mobile Phones Policy](#) issued by the Minister for Education, personal mobile phones must not be used at ETRS during school hours, including lunchtime and recess and before and after school whilst on school grounds, unless an exception has been granted.

Where a student has been granted an exception, the student must use their mobile phone for the purpose for which the exception was granted, and in a safe, ethical and responsible manner.

Secure storage

Mobile phones/ cellular devices owned by students at ETRS are considered valuable items and are brought to school at the owner's (student's or parent/carer's) risk. Students are encouraged not to bring a mobile phone to school unless there is a compelling reason to do so. Please note that ETRS does not have accident insurance for accidental property damage

or theft. Students and their parents/carers are encouraged to obtain appropriate insurance for valuable items.

Where students bring a mobile phone to school, ETRS will provide secure storage. Secure storage is storage that cannot be readily accessed by those without permission to do so. At ETRS students are required to store their phones in the office area. All phones and cellular devices should be handed into the school office to be placed in a lockable cupboard.

Enforcement

Students who use their personal mobile phones inappropriately at ETRS may be issued with consequences consistent with our school's existing student engagement policies.

At ETRS inappropriate use of mobile phones is **any use during school hours**, unless an exception has been granted, and particularly use of a mobile phone:

- in any way that disrupts the learning of others
